

How do I create a new blog?

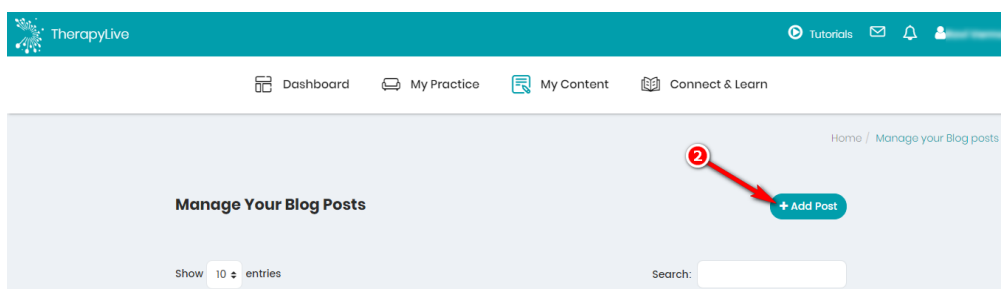

Customer Success Liaison - 2020-06-03 - in Creating Content

Here are the steps to creating a new blog:

1. Click on “My Content” and select “My Blog Posts”.

2. Click on “Add Post”. This will open a new page where you can create your new blog.

3. You will see the following options on this page -
 1. Blog privacy - private, unlisted, public, and clients only settings
 2. Featured Image
 3. Blog Post Title
 4. Blog Post Excerpt
 5. Post Body
 6. Keywords
4. Click on the “Save” or “Save and View” option to save your blogs.
