

How do I upload a video?

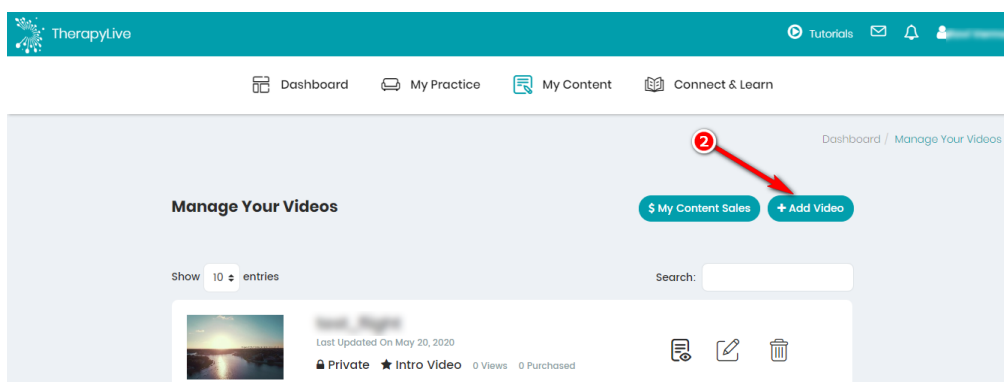

Customer Success Liaison - 2020-06-07 - in Creating Content

Here are the steps to upload a new video to your Therapy Live page:

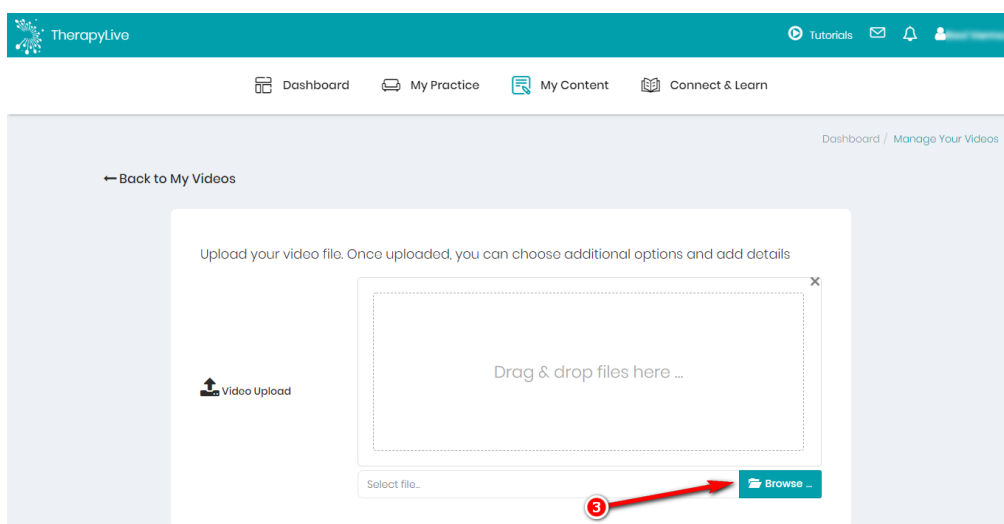

1. Click on “My Content” and select “Your Videos” from the drop down list.

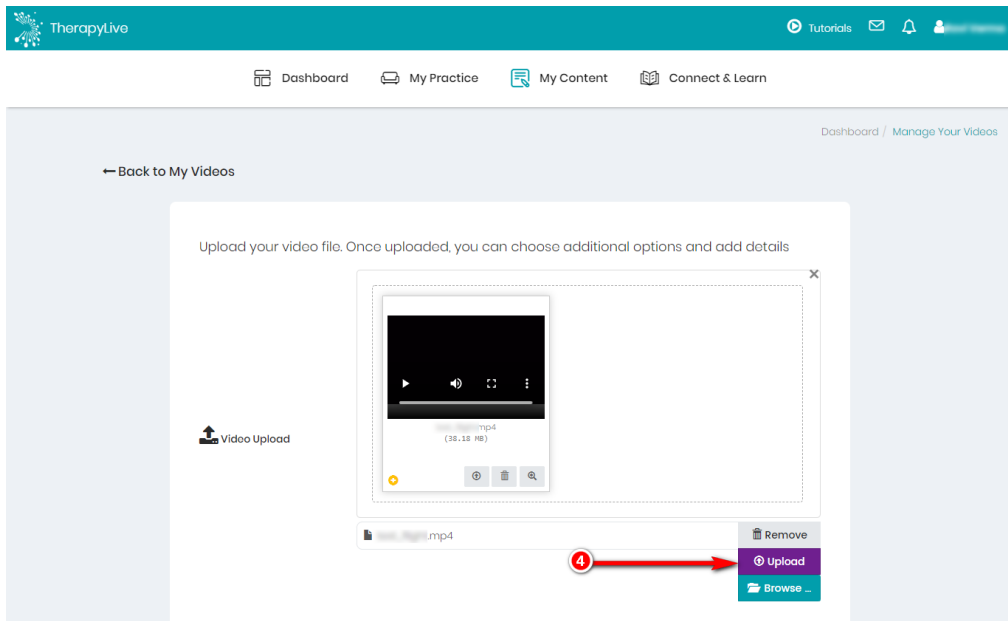

2. Click on “Add Video” and you will be directed to the upload page.

3. Click on “Browse” to select the video you would like to upload.

4. Once you have selected the video, click on the “Upload” button.

5. Once your video is uploaded, you can enter the following information related to the video:
 1. Video Privacy
 2. Video Title
 3. Video Description
 4. Select Thumbnail
 5. Video Intro
 6. Keywords
 7. Paid Video
 1. Price Your Video
 2. Do you want a trailer for your video?
6. Click on the "Save Changes" button to save the video.

Congratulations! Your video is being optimized

"The desire to reach for the stars is ambitious. The desire to reach hearts is wise." - Maya Angelou

Your great content is being optimized, encrypted, and secured to play on a multitude of devices. Don't wait around. You can navigate away from this page and we will send you an email when your video is ready. In the mean time you upload another video by scrolling back to the top or start thinking about what other great content you want to create.
