## What are the ways I can bill my client through Therapy Live?

Customer Success Liaison - 2020-08-22 - in Secure Telehealth Sessions and Session Notes

There are three ways that you can bill your client:

1. Use own billing
2. Charge client's credit card
3. Send payment link to the client

When scheduling a billable telehealth session with your client you will find these options on the appointment details page. Visit [this link](#) to schedule telehealth sessions with your clients.
